Re: Docket No. SP-123, Sub 2  
Hydrodyne Industries, LLC  
High Falls Dam

Dear Ms. Vance:

The Public Staff – Electric Division has completed its review of the Registration Statement filed in the above-referenced docket pursuant to Commission Rule R8-66, and we recommend that the Registration Statement be considered complete and that the facility should be considered a new renewable energy facility.

I certify that a copy of this letter has been served on the individuals or businesses shown below, by depositing a copy in the United States Mail, first class postage prepaid, properly addressed.

Yours very truly,

Kennie Ellis  
Engineer – Public Staff Electric Division
